

# Washington State Annual Report on Homeless Transportation

2013

## BACKGROUND

The Office of Superintendent of Public Instruction (OSPI) is required by Revised Code of Washington (RCW) 28A.300.540 to provide the Agency Council on Coordinated Transportation (ACCT) with the total reported expenditures related to the transportation of homeless students.

Enabling legislation: [RCW 28A.300.540](#)

School district homeless transportation data is being collected through the Student Transportation Allocation Reporting System (STARS). The McKinney-Vento Homeless Transportation Report consists of the total number of student trips, the total miles and the total cost of providing transportation to homeless students during the prior school year (September 2012 through August 2013).

Questions regarding this report may be addressed to the OSPI Director of Student Transportation, Allan J Jones, at [allan.jones@kl2.wa.us](mailto:allan.jones@kl2.wa.us) or by phone at 360-725-6120.

## SUMMARY

It should be pointed out that this data is unaudited. Some existing errors will likely be corrected. Some errors were a result of districts reporting a "head count" of individual students served rather than the total number of student trips provided. Some of these errors have already been corrected, but there remains some concern with the validity of the totals. As of this date, the total amount currently reported statewide for homeless transportation during the 2012 -2013 school year was \$16.7 million. This represents a total of 1.01 million student trips, covering 13.1 million miles.
