Developer Agreement Full Package Submittal Checklist

WSDOT will only accept completed plan sheets in one *Full Package Submittal*. The submittal must include all of the applicable plan sheets needed due to the numerous WSDOT support groups who will review the project. If all of the applicable plan sheets are not included, the review will be delayed until the missing sheets are submitted. The Full Package Submittal shall be submitted after WSDOT approval of the Plan for Approval (see Developer Agreement Flowchart). Unless otherwise noted, three full size sets and fourteen half-size sets of plans shall be submitted. Half size plans shall be 11 inches by 17 inches.
